This list is subject to updates twice each month.

DOHR relies on state agencies for information concerning positions included on this list. While it is the goal to fill these positions within 90 calendar days, there is no guarantee that the position will be filled within this time frame. In cases where an agency has mistakenly advised DOHR that a position is available for the reassignment process, DOHR will remove that position from the list of available positions. The posting of any position on this list does not create a promise of employment or a contractual obligation between the State and an applicant.

The asterisk (*) listed after vacant job titles denotes upper level flex job classifications (example: DCS Case Manager 2*). Applicants who do not meet the minimum qualifications for upper level flex job classifications may contact agency human resources offices listed on the vacancy report to obtain additional information regarding lower level flex job classification titles.

In cases where an agency has mistakenly advised DOHR that a position is available for the reassignment process, DOHR will remove that position from the list of available positions. The posting of any position on this list does not create a promise of employment or a contractual obligation between the State and an applicant.

The asterisk (*) listed after vacant job titles denotes upper level flex job classifications (example: DCS Case Manager 2*). Applicants who do not meet the minimum qualifications for upper level flex job classifications may contact agency human resources offices listed on the vacancy report to obtain additional information regarding lower level flex job classification titles.

In cases where an agency has mistakenly advised DOHR that a position is available for the reassignment process, DOHR will remove that position from the list of available positions. The posting of any position on this list does not create a promise of employment or a contractual obligation between the State and an applicant.

The asterisk (*) listed after vacant job titles denotes upper level flex job classifications (example: DCS Case Manager 2*). Applicants who do not meet the minimum qualifications for upper level flex job classifications may contact agency human resources offices listed on the vacancy report to obtain additional information regarding lower level flex job classification titles.

This list is subject to updates twice each month.

DOHR relies on state agencies for information concerning positions included on this list. While it is the goal to fill these positions within 90 calendar days, there is no guarantee that the position will be filled within this time frame. In cases where an agency has mistakenly advised DOHR that a position is available for the reassignment process, DOHR will remove that position from the list of available positions. The posting of any position on this list does not create a promise of employment or a contractual obligation between the State and an applicant.

The asterisk (*) listed after vacant job titles denotes upper level flex job classifications (example: DCS Case Manager 2*). Applicants who do not meet the minimum qualifications for upper level flex job classifications may contact agency human resources offices listed on the vacancy report to obtain additional information regarding lower level flex job classification titles.

DOHR relies on state agencies for information concerning positions included on this list. While it is the goal to fill these positions within 90 calendar days, there is no guarantee that the position will be filled within this time frame. In cases where an agency has mistakenly advised DOHR that a position is available for the reassignment process, DOHR will remove that position from the list of available positions. The posting of any position on this list does not create a promise of employment or a contractual obligation between the State and an applicant.

The asterisk (*) listed after vacant job titles denotes upper level flex job classifications (example: DCS Case Manager 2*). Applicants who do not meet the minimum qualifications for upper level flex job classifications may contact agency human resources offices listed on the vacancy report to obtain additional information regarding lower level flex job classification titles.

In cases where an agency has mistakenly advised DOHR that a position is available for the reassignment process, DOHR will remove that position from the list of available positions. The posting of any position on this list does not create a promise of employment or a contractual obligation between the State and an applicant.

The asterisk (*) listed after vacant job titles denotes upper level flex job classifications (example: DCS Case Manager 2*). Applicants who do not meet the minimum qualifications for upper level flex job classifications may contact agency human resources offices listed on the vacancy report to obtain additional information regarding lower level flex job classification titles.
